Accounting & Finance an Introduction, 7th ed. By Eddie McLaney

This package contains Atrill, Accounting and Finance: An Introduction 7e and access to MyAccountingLab. Important information for students: You need both an access code and a course ID to access MyAccountingLab. Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system. Accounting and Finance: An Introduction has all the information you need to start your business career. This best-selling text teaches you the basics of understanding and using financial information with practical techniques and real-world examples. The same great book as Accounting: An Introduction, but now with a new title to truly reflect its broad coverage. This comprehensive guide covers financial accounting, management accounting and financial management in a single text, and provides the background and tools to make informed, successful business decisions. This package includes MyAccountingLab, an online homework, tutorial, and assessment system designed with a single purpose in mind; to improve the results of all higher education students, one student at a time. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. Find out more at www.myaccountinglab.com.
