Table For Two: Barrington Billionaire's Series: Book Two By Jeannette Winters

Dean Henderson never backs down from a challenge. No matter the cost or the opponent, when it comes to business, if he wants it he gets it. No exceptions.

Tessa Brooks left her small town to get out of the spotlight of being the preacher's daughter. Boston is the perfect place to blend in and finally be herself. A low profile job in the HR office of Poly-Shyn fits perfectly into the life she is creating for herself. When Dean takes over as the new CEO, sparks fly. Tessa grew up hearing about the difference between right and wrong, but no one ever told her that wrong could feel so good.

They belong together, but they might realize it too late.

There are consequences to loving a powerful man--and sometimes they're deadly.
