"One cowboy is never enough."

If you love the Wild Wild West, you'll love this steamy hot historical set in the Montana Territory!

When Laurel Sinclair's uncaring father seeks to pawn her off in marriage as part of a business deal, she seeks to avoid her fate by fleeing. But running away in a Montana blizzard proves to be a terrible mistake.

When handsome ranchers Mason and Brody find the stranded redhead next to her injured horse, they take her in and immediately decide to make her theirs, convinced they can convert the beautiful stranger to an unusual arrangement of marrying them both. The Bridgewater way of one woman marrying two husbands is foreign to Laurel, but she soon grows to love the two protective men who awaken her to a world of carnal pleasures she never knew existed.

She grows to love them for their guidance and protection. But will her happiness be threatened by the secret she harbors? Will Mason and Brody still love her if they discover who she is? And what will happen when her scheming father and the cruel man he wanted her to marry finally track her down?

If you like Lexi Blake's Virgin series, you'll love Bridgewater!

USA Today Bestselling author

When she's not writing, Vanessa savors the insanity of raising two boys, is figuring out how many meals she can make with a pressure cooker, and teaches a pretty mean karate class. She considers herself to be remarkably normal, exceedingly introverted and fairly vanilla, which does not explain her steamy stories and her fascination with cowboys, preferably more than one at a time. She lives in the Wild Wild West where there's an endless source of 'research' material.
