**If your ex is the Prince of Greed, you'd better be ready to raise Hell.**

Charlie Henderson is living a lie. Her real name is Muse, she's half demon, and her attempt at a normal life is about to go up in smoke.

When an assassin walks into her life, leaving a trail of destruction in his wake, Muse must return to the one man she hoped never to see again and ask for help. The Prince of Greed isn't known for his charity. The price is high, and the cost could tear her apart.

Trapped between the malevolent intentions of a Prince of Hell and an assassin with ulterior motives, Muse must embrace the lure of chaos at her core—the demon inside her—in order to survive.

### Editorial Review

Review

#### Kirkus Reviews

Reminiscent of *Jessica Jones*... Exciting, sexy, psychologically acute.

Publishers Weekly

This emotional, supernatural novel keeps up a brisk pace without leaving the reader behind... A solid start to the series.

#### Moonrise Books

This is a fantastic book, and one of my new favorites! ...A brilliant and original tale.

#### Bitten By Books

This is a fresh twist on Urban Fantasy and I am very curious to see where Muse will end up. Likable characters, fantastic pacing and flow, a solid paranormal foundation, and one hell of an ending make Beyond the Veil a truly enjoyable read.

#### Smexy Books

From page one I was intrigued and as I turned the final page I still wanted more.

From the Author

The Veil Series has been described as gritty urban fantasy with an intriguing hint of romance. I'd describe it as one hell-of-a ride. Our heroine, Muse, is deeply flawed, and not just because she's half demon. She makes mistakes, screws up more often than not, and struggles to manage her half demon nature. Her problems are amplified by her ex-lover - an overbearing Prince of Hell, and a demon-slayer with his own motives.

The Veil Series is a wild ride into a world where demons inhabit Boston. There will be battles and blood, romance and betrayal. I invite you to buckle up and enjoy the journey (including the downs as well as ups).
