Rules of Negotiation by Inara Scott

He let her make the rules...

NYC's most eligible bachelor, Brit Bencher, is also known as The Slayer for his reputation in the boardroom...and the bedroom. And he'll do anything to take care of his family, even seduce high-powered corporate attorney Tori Anderson in the hopes of getting her to reveal confidential information about one of her clients. But for the first time in his life, he finds he's falling for a woman.

...and then he started to break them.

After juggling the demands of her career and the stress of caring for her ailing mother, Tori Anderson doesn't have time for relationships—but that doesn't mean she doesn't want to feel like a woman. When Brit offers a no-strings attached fling, it sounds like exactly what she needs. But what will she do when Brit decides he won't take "one night stand" for an answer? When Tori uncovers his lies, will he lose his chance with her forever?

Editorial Review

Review

"Inara Scott's Rules of Negotiation is everything I love in a book-smart, snappy dialogue, a hero to die for and heroine to root for. Wicked, sexy and fun, with lots of heat and plenty of heart. This is one deal you'll want to negotiate ASAP!"

-Susan Sey, award-winning author of Money Honey (Berkley).

"Inara pens a gorgeous, sexy hero in Brit, a hero with flaws who isn't afraid to admit them when it counts. [H]eroine Tori is a feisty, upfront heroine who I loved for her forthrightness, her confidence in her work and her vulnerability in her personal life. Together, these two strong willed characters equal fireworks!"

-Nicola Marsh, USA Today Bestselling Author.

"Reading this made me think about what dreams I may want to resurrect and also who I am trying to make happy. Is it me or am I doing what I think is expected of me? This is an author I will definitely be reading again."

-Patti, Romancing the Book

"I adored this book. The writing is powerful with a beautiful style that just kept the pages turning. I completely identified with the strength of the heroine, fell in love with the sexiness of the hero, and rooted for them the whole way through."

-Jennifer Probst, USA Today Bestselling Author
