**World Gone Wild: A Survivor's Guide to Post-Apocalyptic Movies** By David J. Moore

A loving ode to a universal genre of film. An entire subculture of end-of-the-world themes was spawned from films like *The Road Warrior*, *Escape From New York*, and *The Terminator*. While those films are still being emulated today, film makers all around the world continue to produce radically unique films with startling perspectives of humanity facing the end of all things. This book offers pointers and a frame of reference on how the characters behaved when their worlds were on the brink of desolation. It covers the genre's biggest blockbusters like *The Hunger Games*, *I Am Legend*, *Oblivion*, and *World War Z*, while devoting equal time and attention to smaller, more obscure films that really deserve to be discovered. Containing over 800 movie reviews, 60 exclusive interviews with filmmakers and actors who've made films in the genre, and a vast subgenre index, *World Gone Wild* is a chronicle of humanity's struggles through nuclear war, global natural disasters, and the zombie apocalypse in film.

### Editorial Review

#### Review

Quite frankly this is a guide book that fans of the sub-genre really need just for the sake of finding films out there that they may not have seen before. That someone out there has managed to not only see all of these but catalogue them in this amount of detail is a film-buffs dream come true. Anything even remotely end of the world related gets a look in. And not just high budget, or 80s Mad Max rip offs, but all of the low brow titles you are likely to have never heard of down through the past few decades get covered (yes Albert Pyun fans he even gets his own index). Its amazing that even in the pages that have A-Z lists that they still find space for colour photos to keep you leafing through, staving off any boredom the eye might find. This is a real film nerds collectors item written by one, for the many. This is time well spent on a great book! Steven Hurst, Filmwerk.co.uk June 2015

#### About the Author

David J. Moore has written articles for Fangoria, Filmfax, Ultra Violent, VideoScope, Lunchmeat, Flickering Myth, and L'Ecran Fantastique. Interviews he's conducted can be found on OutlawVern.com. He has worked as a freelance film journalist, visiting movie sets around the world. His next book is called The Good, the Tough, and the Deadly: Action Stars and Their Movies, and it will be published in 2015. He lives in Rancho Cucamonga, California.

### Users Review

#### From reader reviews:

##### Anthony Youngblood:

Why don't make it to become your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite e-book and reading a reserve.
