

Black Jack, Volume 6

By Osamu Tezuka

Black Jack, Volume 6 By Osamu Tezuka

Black Jack is a mysterious and charismatic young genius surgeon who travels the world performing amazing and impossible medical feats. Though a trained physician, he refuses to accept a medical license due to his hatred and mistrust of the medical community's hypocrisy and corruption. This leads Black Jack to occasional run-ins with the authorities, as well as from gangsters and criminals who approach him for illegal operations. Black Jack charges exorbitant fees for his services, the proceeds from which he uses to fund environmental projects and to aid victims of crime and corrupt capitalists. But because Black Jack keeps his true motives secret, his ethics are perceived as questionable and he is considered a selfish, uncaring devil. The Black Jack series is told in short stories. Each volume will contain 16-20 stories, each running approximately 20-24 pages in length.

Editorial Review

Review

PRAISE FOR OSAMU TEZUKA'S *BLACK JACK*:

"Black Jack is a dramatic, nearly Byronic figure... With genre-spanning stories—horror, sci-fi, romance—and Tezuka's signature blend of drama, bathos and extreme broad comedy jammed together on every page, *Black Jack* is a wild but extravagantly entertaining ride that's far more accessible than the author's novel-length epics." —*Publishers Weekly* (starred review)

"Black Jack, the tortured renegade surgeon who operates on the desperately needy (and, on occasion, himself)...makes TV's Dr. House look like Mary Poppins." —*Los Angeles Times*

"The stories are a unique mix of an Isaac Bashevis Singer morality tale, and outstanding creative medicine. Though *Black Jack* is aimed at a young audience, it has maturity not found in adult works. It's a piece of comic art that excels in form, and message." —*Ain't It Cool News*

"While *Astro Boy* is more iconic and *Phoenix* is more epic in scope, *Black Jack* is arguably Tezuka's best and most enjoyable work... [It] hits Tezuka's sweet spot where his heart, his head and his sense of humor meet in perfect company." —*About.com*

"Surely there's nothing in this series more continually striking than the artist's relentless, guaranteed depictions of surgery itself, happy rubber skin always peeled away to show realist meat and bone, minutely detailed organs mended or transplanted, then covered up again in the stuff of effortless napkin doodles... I found even the least of [these stories] fascinating examples of an artist casting his net especially far, secure in his talented hands and firm in his fame—ready to confront any malady, striving to cut away any harm, instrument tips sharp for making flesh whole." —*Jog The Blog*

"'Iconic' doesn't begin to sum up *Black Jack*'s importance in the world of manga... I see a lot of Tezuka fans reaching for their wallets—not just for this volume alone, but for the whole of *Black Jack* as it's finally being re-released in the English-language edition it has always deserved. It was, and will be, more than worth the wait. *Platinum Award*." —*Advanced Media Network*

"Great material—classic crazy Tezuka with a bloody medical heartbeat tuning out the sound of man's inhumanity to man." —*Newsrama*

"Totally fun, totally engrossing. *Black Jack* is a page-turner of the highest order, and I blew through 280+ pages and I'm hungry for more." —*Comics212.net*

"To match the beautiful outside, Camellia Nieh did a fantastic job with the translation. The entire book was a fantastic read cover-to-cover that I refused to put down. Whether you're just getting into manga, or have been a fan for decades, it would be a shame not to own this seminal title." —*Japanator*

About the Author

Osamu Tezuka (1928-89) is the godfather of Japanese manga comics. He originally intended to become a doctor and earned his degree before turning to what was then a medium for children. His many early masterpieces include the series known in the U.S. as *Astro Boy*. With his sweeping vision, deftly intertwined plots, feel for the workings of power, and indefatigable commitment to human dignity, Tezuka elevated manga to an art form. The later Tezuka, when he authored *Buddha*, often had in mind the mature readership that manga gained in the sixties and that had only grown ever since. The Kurosawa of Japanese pop culture, Osamu Tezuka is a twentieth century classic.

Users Review

From reader reviews:

Lorenzo Davis:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their free time with their family, or their very own friends. Usually they performing activity like watching television, going to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Will you something different to fill your current free time/ holiday? May be reading a book can be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to try look for book, may be the publication untitled Black Jack, Volume 6 can be great book to read. May be it is usually best activity to you.

Richard Bentley:

The book Black Jack, Volume 6 has a lot details on it. So when you read this book you can get a lot of advantage. The book was written by the very famous author. This articles author makes some research ahead of write this book. This particular book very easy to read you will get the point easily after scanning this book.

Jordan Sena:

Playing with family in the park, coming to see the ocean world or hanging out with friends is thing that usually you might have done when you have spare time, and then why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Black Jack, Volume 6, it is possible to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its named reading friends.
