The Dark Scarlett By Aven Jayce

**The Dark Scarlett (a continuation of The NOVA Trilogy) is intended for mature audiences due to strong language, explicit sex, and abusive situations.**

*You can never escape the past, especially when it hunts you down and kicks you in the ass. ~ Cove Everton*

I was forced into the adult film industry by a man named Paul Jameson. What a psychopath he was. Besides the mental and physical abuse he put me through, he also turned me into an alcoholic. Bastard. He really f\*cked with my head.

Thank God he's no longer in my life, and interestingly enough, I fell in love with his daughter, Sophia. We got married and own a wine bar in St. Louis called The Dark Scarlett. Sad to say, *dark* doesn't even begin to describe the incidents at our place.

What else... I'm also a bit of a self-centered prick. I make mistakes and so does my wife. We're like sh\*t magnets that get pulled into a tornado each day, spun around, and vomited out.
