The Tears of Elios: The Elgean Chronicles By Crista McHugh

Shape-shifters' Rule #1: Don't let the humans know you still exist. Rule #2: If a human finds out about you, silence them. Some rules were meant to be broken... Ranealya ruthlessly plays by the rules and has outlived most of her race because of it. If she wants to survive, she'll have to stick to them, especially with a genocidal tyrant hell-bent on destroying all the non-humans in the realm. But everything falls apart when a human saves her life. Gregor knows he's inviting trouble when he helps a wounded shape-shifter, but he can't pass up the opportunity to study one before they become extinct. She disturbs the quiet order of his scholarly existence, vexes him in more ways than he can count, and encourages him to break enough of the kingdom's laws so that not even being the king's cousin will save his head. The problem is, he's already lost his heart.

Editorial Review

Review

"The first thing that came to mind upon finishing this book is " Holy Crap! Is that it?!" I did not want this book to end...simply put it grabs you by the boot straps so to speak and hauls you into the story until you are helpless but to keep turning the page until you find out what happens." -- 5/5 stars, *Starcrossed Reviews*

"I was blown away by the creative world Crista has compiled in her novels. It takes some new ideas about magic and mixes in old folklore and other more traditional ideas... it's definitely one that the young adult crowd would also be able to dive into." -- *I Smell Sheep*

About the Author

Growing up in small town Alabama, Crista relied on story-telling as a natural way for her to pass the time and keep her two younger sisters entertained. She currently lives in the Audi-filled suburbs of Seattle with her husband and daughter, maintaining her alter ego of mild-mannered physician by day while she continues to pursue writing on nights and weekends. Her writing has won over twenty awards. Just for laughs, here are some of the jobs she's had in the past to pay the bills: barista, bartender, sommelier, stagehand, actress, morgue attendant, and autopsy assistant. And she's also a recovering LARPer. (She blames it on her crazy college days) For the latest updates and answers to any burning questions you have, please check out her webpage, www.cristamchugh.com, or subscribe to her newsletter.
