Classroom Behaviour: A Practical Guide to Effective Teaching, Behaviour Management and Colleague Support By Bill Rogers

Bill Rogers' UK Tour 2017 - find out more today!

This **exciting new edition** of the best-selling and beloved teacher's companion looks at the everyday behaviour issues facing teachers working in today's classrooms. Describing real situations and dilemmas, Bill Rogers provides theoretically sound strategies and best practices to support you in meeting the challenges of the job, as well as building up a rapport with both students and colleagues to enable positive and productive learning environments.

Written jargon-free in Bill's accessible and empathetic voice it includes in-depth strategies, practical examples, case studies and pragmatic hints and tips to put in to practice. This will make for informative and inspiring reading to all those involved in educating our children and young people.

The new edition has been revised and updated and now also includes **access to an interactive website** packed with a host of extra material to take you further.

Visit <https://study.sagepub.com/rogers4e> to access:

- **Videos** of Bill demonstrating his behaviour strategies in real classroom settings
- **Podcasts** where Bill explains his ideas and ethos in more detail as well as answering teachers' FAQs
- **Extra reading material** for even more support on difficult subjects
- **Behaviour Management Tool Templates** to use with students in the everyday classroom
- **Role-play scenario cards** to help understand and prepare for challenging situations

“We often think of behaviour management in terms of dealing with challenging behaviour, but Dr Rogers begins by looking at classroom organisation and whole-class strategies. Alongside the theory, he provides examples that create a much deeper understanding of exactly what works and what doesn't.” - *Special magazine*

Editorial Review

Review

I cannot speak highly enough of *Classroom Behaviour*. All educators will identify with the situations Bill describes. He does not duck the realities in today's schools and classrooms. He provides clear guidance for putting professional integrity and emotional literacy into practice from early, minimal intervention to responding to the most difficult student and the most challenging situation.

Every teacher needs this book, and every student needs them to have read it.

(Sue Roffey)

Now in its third edition, *Classroom Behaviour* owes much of its success to the realism of its scenarios and case studies, and the lessons and advice that the author draws from them. He gives us forensic deconstruction and analysis, often with dialogue, of every conceivable classroom issue, challenge and potential crisis. There is much on language - tone, choice of words, and body language - reminding us just how easily we can undermine our intentions by the way we convey them. This new edition has additional material on bullying, teaching autism spectrum disorder children in mainstream schools, and working with challenging students.

(Gerald Haigh)

The scenarios are real and relatable, the feelings and reflections honest, and the problem-solving strategies and interventions realistic. All teachers, teacher-researchers, professional leaders, and educationalists will benefit from contemplating and putting into practice the suggestions and guidance in this book and their students and colleagues may thank them too. (Sandi Tait-McCutcheon)

About the Author

Dr. Bill Rogers taught for many years before becoming an education consultant and author; he lectures widely on behaviour management, discipline, effective teaching, stress management and teacher welfare across the UK and Europe, Australia and New Zealand. Bill also works as a mentor-teacher, team-teaching in challenging schools. He is well aware of the challenges of teacher leadership in schools today.

Bill read theology at Ridley College Melbourne University, then psychology and education also at Melbourne University. He is a Fellow of the Australian College of Education, Honorary Life Fellow of All Saints and Trinity College, Leeds University and Honorary Fellow at Melbourne University Graduate School of Education. He has written many books for SAGE Publications.

To find out more about Bill's work, visit his website www.billrogers.com.au where you will find full details of how to book him for a workshop or training event.

Users Review
