Greek Mythology:: A Complete Guide to Olympians, Titans, Heroes, Their Captivatin By Anastasios Lekkas

Use this book to learn more about the fascinating mythology from Ancient Greek for a limited time at the DISCOUNTED price of \$11.99; Now with a Bonus Chapter about the Epic Clash of the Titans and Gods

In 1955 the poet Robert Graves wrote that Mythology had two main functions. One of these functions was to answer those awkward questions that many children ask, such as 'Who made the world?', 'Where did people come from?', and 'What happens when we die?'. The other was a more adult function; it was used to justify the reason behind an existing social structure and explain where traditional customs and rituals came from. The stories about the gods, goddesses, heroes and monsters that the ancient Greeks told were part of their every day lives. Those stories explained everything from the weather changing to the sun rising on a new day to why bad things happened to good people. Those stories gave meaning to the world. No matter how much time has passed, the lessons and legends told by the Ancient Greek society often have a relevant message to convey to us even today! Greek mythology unfolds before you as you educate yourself about the myths of primordial means by which the world came to be as perceived by the Ancient Greek society and the folklore they passed down through the ages. From Achilles and Troy to The 8 Labors of Hercules, to the clash between the heroic Olympians and the mighty Titans. Unmatched in appeal, Greek mythology, with its origin in antiquity, still manages to captivate the minds of the world, you need not look any farther than new A-list movies that emerge each year about the subject. Here's what you can expect to find in this book... The Olympians, the Titans, the Demigods, the Heroes, the Monsters, and Who They Were The Reign and Fall of Uranus The Moon and Her Lover Helios'

Chariot and the Great Destruction/li> The Overthrow of Cronos and Zeus' Rise to Power Hermes and Apollo's Lyre Perseus and Medusa Achilles and the Trojan War And Much More! Here's what some customers thought.. Greek mythology has always fascinated me. Even though I watched many movies surrounding it, I never really knew the connections between the characters, etc. This books does a good job of showing how each character is related to each other. It shows who is the wife or husband of who, who is the child of who, and so on. The Titans, Olympians, Demigods, Heroes, and Mortals are all laid out in easy to read fashion. Many battles, like the Achilles and the Trojan war, are talked about in the book also. It is a refreshing look at all the Greek stuff that has many confused. If Greek mythology is interesting to you, then I know this book will help to clear up a lot of things about it. I benefited from the and surely you can too. -Juan deCampos I've always loved Roman and Greek mythology, and I've always read any book I get about them. My favorite goddess is Artemis. While a lot of what's written here are what I read from other books, what I like about this book is it is written in a more concise way. It is easier to understand and, as for the basic understanding of Greek gods and goddesses, this book has all the basic information about the subject. This book is a good supplement for those starting to learn about Greek mythology. -Micha L

We were holding enjoying reading this book. When you did not have enough space to create this book you can buy often the e-book. You can m0ore easily to read this book through your smart phone. The price is not to cover but this book has high quality.

David Wood:

In this age globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher that print many kinds of book. Typically the book that recommended for your requirements is Greek Mythology:: A Complete Guide to Olympians, Titans, Heroes, Their Captivatin this book consist a lot of the information with the condition of this world now. This kind of book was represented how do the world has grown up. The words styles that writer require to explain it is easy to understand. The particular writer made some investigation when he makes this book. Honestly, that is why this book suitable all of you.

Emily Boyd:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Greek Mythology:: A Complete Guide to Olympians, Titans, Heroes, Their Captivatin can make you really feel more interested to read.
