Stripped:

Oliver Grant has his work cut out for him in the form of his new assistant, Jessica Snow. But when he gazes at her soft curves, her bright brown eyes, quiet intensity and raw eagerness, he finds himself desiring her more and more as each day passes. He had never before allowed his sexual hobbies to interfere with work, but he knows that Jessica may be the first and only woman ever to cause him to break his contract. How long will Oliver Grant last until Jessica manages to shatter his resolve?

Perfection:

When her latest gallery showing is a smashing success, Gianna Mason is delighted to discover her most expensive and highly prized work has been purchased by none other than the sexy Bradford Pierson. When she arrives to manage the installation of the sculpture, she finds herself indulging in Brad's lavish attention and it becomes increasingly difficult to maintain her air of professionalism as things keep heating up. Expecting to never see him again, she is shocked to discover he's enrolled in her sculpture class. Will Gianna be able to resist exploring his hidden talents

Nailed:

Emma has always had her eyes on Conrad Blunt. The enigmatic and out-of-reach steamy older brother of her best friend and Emma finds herself playing a role she never would have imagined in her wildest dreams.

Visiting Denver, and recently broken up with his ex, Conrad asks his secretary to organize an escort to accompany him to a charity ball...but, unbeknownst to him, his over-protective sister Violet is dead-set against the idea. There's no way she'll let her brother date an escort...so she sets him up with her friend instead but Conrad doesn't remember the gorgeous and transformed woman from the girl he once knew. What Conrad sees in Emma is potential—an underlying strength coupled with the desire to surrender to his command. And Emma finds Conrad impossible to resist...

But Emma has sworn to Violet that she won't touch Conrad—that the escort role

is just that—a role. But now she's in way over her head. The question is, will she be able to find her way out...and does she even want to?

Pleasure:

Kelly Sharp has no time for love. In her life, everything must be under control, and there's no place for messy emotions or out-of-control passion. It's Kelly's severe attitude that is the key to her success—the young CEO of her family business, and a woman to be reckoned with. But when she meets Levi, the sexy fireman who saves her from an office fire, Kelly's life is turned upside down. Levi is determined to make her lose control, but Kelly is determined to hold onto it. Levi wants to show Kelly the benefits of letting go and surrendering to a moment fueled by passion and desire. The question is, will Kelly have the strength to let go?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
