**It's not always happy-ever-after when you marry a Greek billionaire.**

**24-year-old Mairi was once an old-fashioned hopeless romantic**, a schoolteacher who flew all the way to Greece in hopes of finding her own Greek billionaire to fall in love with.

She found it in Damen Leventis, a handsome billionaire who was alpha to the core. He was everything she had dreamed of...except for the fact that he didn't even know what love was. A lot of tears had to be shed, a lot of heartache had to be felt, before the billionaire finally realized love was what he felt for her.

Now that they're married and with a baby in tow, Mairi thought it's all happily ever after until...*that boy*. And...*that kiss*.
