### Editorial Review

From School Library Journal

Gr 8 Up—On their first mission for the Portland County Search and Rescue team, Alexis, Nick, and Ruby don't find the missing man with autism they were looking for; instead they find the dead body of a young girl. Now these three teens from very different backgrounds must work together to find the killer.

Complicating the issue is Alexis's mentally ill mother, who disappears after a paranoid episode, Nick's crushing feelings of inadequacy, and Ruby's struggles to find a place she belongs. Will they be able to find common ground with one another before the killer strikes again, maybe even at one of their own? Henry realistically portrays these three kids thrust into a real-life horror. Their doubts and fears, as well as their strengths, all ring true and teens will be able to identify with one of the protagonists. The adult characters, especially Alexis's mother, are also fully developed, albeit a bit slow on the uptake in the case of Ruby's parents. The actual mystery is not that intriguing, but a pervading sense of threat and danger is present throughout. Give this series opener to fans of character-driven mysteries.—Erik Knapp, Davis Library, Plano, TX

“The fast-paced plot, mirroring familiar TV crime procedurals, make this a good choice for reluctant readers, especially as it's impossible to follow the clues and identify the killer before the final showdown.” ?*Booklist*
