Y te llamé piedra cúbica (Serie Amarilla) (Spanish Edition) By Manuel Marín Oconitrillo

El «método masónico» y lo que justifica que una persona decida formar parte de esta organización, consiste en un aprendizaje a través de «signos y no palabras, porque estas limitan», según afirman los iniciados de esta Obediencia universal. Pero el costarricense Manuel Marín Oconitrillo, dedicado desde hace años al cultivo de la canción culta (lied) y de la literatura en casi todos sus géneros, y radicado en Colonia, Alemania, desde el año 2000, ha debido pensar todo lo contrario al disponerse a verbalizar con esfuerzo y buen gusto los símbolos más reconocibles de esa institución filantrópica de carácter iniciático, todavía rodeada de un halo de misterio del que no ha podido despojarse a pesar de sus esfuerzos recientes por divulgar sus creencias y sus prácticas.

(Del prólogo de Juan-Manuel García Ramos)

Editorial Review

Users Review

From reader reviews:

Walter Berry:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or perhaps their experience. Not only situation that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write to the book. One of them is this Y te llamé piedra cúbica (Serie Amarilla) (Spanish Edition).

Sabrina King:

A lot of people always spent their particular free time to vacation or perhaps go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, or playing video games all day long. In order to try to find a new activity that's look different you can read a new book. It is really fun in your case. If you enjoy the book you read you can spent all day long to reading a book. The book Y te llamé piedra cúbica (Serie Amarilla) (Spanish Edition) it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. When you did not have enough space to develop this book you can buy the particular e-book. You can m0ore quickly to read this book through your smart phone. The price is not to cover but this book has high quality.

Virginia Hughes:

Playing with family in the park, coming to see the water world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Y te llamé piedra cúbica (Serie Amarilla) (Spanish Edition), you could enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its called reading friends.

Anthony Carter:

Are you kind of stressful person, only have 10 or 15 minute in your time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short time to read it because pretty much everything time you only find e-book that need more time to be learn. Y te llamé piedra cúbica (Serie Amarilla) (Spanish Edition) can be your answer mainly because it can be read by you who have those short free time problems.
