Editorial Review

About the Author

An avid nature enthusiast since childhood, Ms. Mundt has spent a lifetime appreciating the wonders of the natural world. Her love of nature led her to seek "earth friendly" solutions in all areas of her life. Raising four boys, she tested hundreds of different cleaning, laundering, bleaching, stain and odor removal and other household products and remedies. She was not satisfied to "go green" without "real clean". she has been a tough customer for many so-called "green" products. In recent years Ms. Mundt has turned her attention to research and writing in the areas of natural living, sustainable practices and inner exploration. She currently makes her home in Oregon, with her husband, 2 dogs, 6 chickens and 3 ducks.
