Away (The Keaton Series Book 1) By B.A. Wolfe

What good is running AWAY when you only end up lost?

Cassandra Pierce had her whole "perfect" life planned out by her parents. One night of pure weakness and lust has her running away from it all and seeking refuge in Alamosa with her best friend. But it seems life has other plans for her when she finds herself lost in the small town of Keaton.

Jason Bradley is a charming country guy. He lives a simple life that's nothing like what Cassandra is used to. A single moment in life changed everything he thought he once knew, leaving him with a broken heart and an unplanned future.

What happens in Keaton is nothing Cassandra or her heart could have ever prepared for. The instant connection she shares with Jason is no secret, but what they're keeping hidden from one another is. Will these two be able to find a way to trust each other or will their secrets tear them apart?

About the Author

B.A. Wolfe is a girl with a passion for reading and writing, and lives in the good old state of Colorado with her husband (her biggest cheerleader), and her two crazy min pin fur babies. These days, her life is anything but calm, and there isn't one thing she'd want to change. B.A. spends all her free time either furiously typing stories on her laptop or happily reading through her endless TBR on her Kindle. Her list of favorites would be long enough to fill a book, but most would likely fall under the romance category. She's a sucker for a good love story that makes her cry, and an amazing book boyfriend who will melt her heart.
