"Thrilling action and addictive romance--a mind-bending rush of a read!" (Pittacus Lore, author of the #1 New York Times bestselling I Am Number Four series)

From the Back Cover

Win or Lose, It's How You Break the Game.

As her dad and best friend lie in the hospital, Miki struggles to answer one gut-wrenching question: Was their accident bad luck or was the Committee trying to teach her a lesson?

But Miki has no time to deal. The Game is glitching. The missions are more frequent—and more dangerous—and someone close to her is watching her every move, waiting for the right moment to betray her.

Miki feels like she's hanging on by a thread and the only thing keeping her tethered is Jackson's hand in hers. But somehow, telling him how much she needs him, how much she loves him, feels like the biggest challenge of all.

If she wants to make it to the next level alive and end the fighting once and for all, she'll have to let go and be ready when the walls between the Game and reality come crashing down. Because if there's one thing Miki's learned from playing the Game, it's that she's got a whole lot left to lose.

Crash is the pulse-pounding conclusion to The Game trilogy Eve Silver fans won't want to miss.
