

## Formula 1 Technology (Premiere Series Books)

By Peter G. Wright

### Formula 1 Technology (Premiere Series Books) By Peter G. Wright

Author Peter Wright identifies and outlines five parameters -- Power, Weight, Tire Grip, Drag and Lift -- and shows how each can be maximized. In addition, he describes the variety of technologies (including those that have been banned over the years) that are involved, not just in the makeup of the Formula 1 cars, but also in the component manufacturing, systems testing, and the actual racing of the cars.

### Editorial Review

#### About the Author

Peter Wright has been involved with Formula 1 for 35 years. He has worked directly for Formula 1 teams, and has also worked on relevant technologies, including aerodynamics, composites and closed-loop control systems. He has seen first-hand the most technically stimulating and challenging period, and has seen the industry grow in size and sophistication.

### Users Review

#### From reader reviews:

##### Shirley Frazier:

Have you spare time for the day? What do you do when you have considerably more or little spare time? Yes, you can choose the suitable activity for spend your time. Any person spent their very own spare time to take a walk, shopping, or went to the actual Mall. How about open or even read a book called Formula 1 Technology (Premiere Series Books)? Maybe it is for being best activity for you. You recognize beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with it is opinion or you have different opinion?

##### Anthony Hanna:

Information is provisions for those to get better life, information currently can get by anyone on everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you obtain the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Formula 1 Technology (Premiere Series Books) as the daily resource information.

##### Donald Lester:

People live in this new morning of lifestyle always make an effort to and must have the time or they will get large amount of stress from both everyday life and work. So , once we ask do people have spare time, we will say absolutely sure. People is human not really a huge robot. Then we question again, what kind of activity have you got when the spare time coming to you of course your answer will certainly unlimited right. Then ever try this one, reading books. It can be your alternative inside spending your spare time, the book you have read will be Formula 1 Technology (Premiere Series Books).

**Jeffrey Garner:**
