Off Sides By Sawyer Bennett

"I'm not sure what possessed me to do it. Maybe it was the impossible expectations I faced, maybe it was my own self-loathing. But I just knew I needed something different to happen. I needed someone...something...to derail me from my current path. Otherwise, I would become lost...a hollowed out shell of a man. So I did it. I approached her, then I pursued her, then I made her mine. And my life was saved..."

Ryan Burnham is the privileged son of a U.S. Congressman and captain of his university's hockey team. While he is on the verge of fulfilling his dreams to play in the NHL, his parents want him on a different course. One he is expected to accept for the sake of his family's public image.

Forced to abandon her music career after the heart breaking death of her parents, Danny Cross exists on the opposite side of the tracks from Ryan. She is struggling to make her own way, working two jobs, attending college part time and volunteering in a homeless shelter. She is on a mission to build her own success.

With a chance meeting, their vastly different worlds collide, causing each to evaluate whether they are truly on the correct path to self-fulfillment and happiness. Can their relationship survive? Particularly when others are against them every step of the way. A lot can happen in just ten short days...

About the Author

Since the release of her debut contemporary romance novel, *Off Sides*, in January 2013, Sawyer Bennett has released more than 30 books and has been featured on both the USA Today and New York Times bestseller lists on multiple occasions.

A reformed trial lawyer from North Carolina, Sawyer uses real life experience to create relatable, sexy stories that appeal to a wide array of readers. From new adult to erotic contemporary romance, Sawyer writes something for just about everyone.

Sawyer likes her Bloody Mary's strong, her martinis dirty, and her heroes a combination of the two. When not bringing fictional romance to life, Sawyer is a chauffeur, stylist, chef, maid, and personal assistant to a very active toddler, as well as full-time servant to two adorably naughty dogs. She believes in the good of others, and that a bad day can be cured with a great work-out, cake, or a combination of the two.
