Serial. A brand new dark, erotic thriller from the twisted minds of Lily White and Jaden Wilkes.

Jude Hollister kills. Born with everything, wanting for nothing, murder has become his addiction. He kills women who entice him. He immortalizes them while they're still young and beautiful. How will he manage to save the one woman he loves?

Ronnie Lapierre is a survivor. Born with nothing, she's struggling in a dead end job with an abusive bastard for a boyfriend. Jude offers her a way out, salvation beyond her wildest dreams. What will happen when she learns his terrible secret?

Donovan Blake is the brightest mind to come out of Quantico in years. Charged with finding the Cascades Butcher, he's perfect for this game of cat and mouse. Will his own dark past lead him to success, or drag him into the depths of hell with the most dangerous man he's ever encountered?

Hearts will be broken, families destroyed, and good men will turn evil. In the end, only one will remain. Find out who survives in this intense story of love and ruin.

You will hate yourself for loving him.

***Explores dark themes of murder, violence, sexuality, BDSM, the nature of evil...basically all the good stuff.

****Serial is a serial, shorter stories published faster. How long is ultimately ends up becoming is solely dependent upon our readers. The more you want, the more we write.

Editorial Review

Users Review

From reader reviews:

Arlen Bullock:

Book is definitely written, printed, or descriptive for everything. You can know everything you want by a publication. Book has a different type. As we know that book is important factor to bring us around the world. Alongside that you can your reading proficiency was fluently. A publication Serial Volume One will make you to become smarter. You can feel far more confidence if you can know about almost everything. But some of you think that will open or reading the book make you bored. It isn't make you fun. Why they are often thought like that? Have you seeking best book or appropriate book with you?

David Binkley:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make these keep up with the era and that is always change and progress. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know which you should start with. This Serial Volume One is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

James Peters:

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is in the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Serial Volume One as the daily resource information.

Debra Becnel:

Are you kind of stressful person, only have 10 or maybe 15 minute in your moment to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book as compared to can satisfy your short space of time to read it because all this time you only find reserve that need more time to be go through. Serial Volume One can be your answer given it can be read by you actually who have those short free time problems.
