What if we told you there's a better, more enjoyable way to learn Spanish and grow your vocabulary exponentially? Well, guess what? There is! **The best way to learn Spanish is by reading short stories** The problem? You might feel like you don't know where to start, or you may feel lost trying to read whatever pops up on the internet. And that's exactly why we created this book.*

Short Stories + Foreign Language = Faster Learning

We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language once you frame that learning into a certain context (for example, a short story). Short stories allow you to put what you've learned so far into practice, allowing you to expand your vocabulary quickly, make sense of ideas, understand new concepts, and overall get a better grasp of the Spanish language.

Short stories work because they eliminate the stress of forcing yourself to learn. Instead, when you read the 9 captivating short stories we've prepared for you, you will learn Spanish without even realizing you're learning it! Your goal is to simply focus on a single story at a time (they only take a few minutes to read). **The stories consist of multiple genres, including adventure, fantasy, mystery, romance, just to name a few.** We wanted these stories to be fun, interesting,

and appealing, motivating you to keep on reading to find out what happens next. That's the very best way to learn, don't you think?

BONUS: Vocabulary Lists, Multiple Choice Exercises & Summaries of Each Story

In this book you'll find a total of 9 short stories in Spanish. Each story is divided into three chapters. You start by reading Chapter one, then you go to the Annex, and you'll find there a quick summary of what you just read, a vocabulary list, and several multiple choice exercises intended to help you forge a deeper understanding of the story as it goes. Once you're done with this section, you move on to Chapter 2, then Chapter 3, and then you move on to the next story. It's so easy and fun you won't believe it.
