The Love That Split the World By Emily Henry

"A truly profound debut."—*Buzzfeed*

"A time-bending suspense that's contemplative and fresh, evocative and gripping."—*USA Today*

"Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—*Publishers Weekly*

"This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—*Bustle*

Emily Henry's stunning debut novel is *Friday Night Lights* meets *The Time Traveler's Wife* and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken.

Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right.

Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

From the Hardcover edition.

Editorial Review

From School Library Journal

Gr 9 Up-Natalie is a teenager on the cusp of growing up in this romantic/sci-fi story of love in a small town. Her adoptive parents believe that preparing to leave for college may be to blame for the recurrence of "visitations" they thought therapy had put an end to. However, when Natalie meets Beau, an attractive boy she's never seen before, she must rush to uncover the truth behind the visitations and her new ability to slide between two realities in order to save him. While the romance and sci-fi aspects will feel reminiscent of many other teen novels, an original plot and likable characters will win over readers. The author weaves in elements of Native American folktales that give the novel impressive depth for a debut effort. Complicated family relationships and complex coming-of-age emotions will offer young adults much to relate to. VERDICT A first purchase for YA collections looking for a nuanced romance.-Sunnie Scarpa, Wallingford Public Library, CT(c) Copyright 2011. Review

"Henry's story captivates, both as a romance and as an imaginative rethinking of time and space. The relationship between Beau and Natalie sizzles while also reflecting the innocence of first love, and the unfolding mystery of their changing realities is enough to keep readers turning pages.... Henry delivers a story with depth, originality, and complexity." –*Publishers Weekly*

"This story pairs a gorgeous narrative with exceptional voice for a truly profound debut." –*Buzzfeed*

"A time-bending suspense that's contemplative and fresh, evocative and gripping." –*USA Today*

"This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf." –*Bustle*

"An utterly gorgeous and touching tale of love, hope and sacrifice; this novel broke my heart and then stitched it back together just in time to break it all over again. You will emerge breathless, longing for even a glimpse of those rolling bluegrass hills of Kentucky, and completely certain of the possibility of young love. I know I did." –**Leslye Walton, author of the award-winning novel *The Strange and Beautiful Sorrows of Ava Lavender***

"*The Love That Split the World* is a YA game changer. Every scene sizzles with emotional intensity, and Emily Henry's pitch-perfect sentences will echo in my head for a long time to come." –**Kass Morgan, *New York Times* bestselling author of *The 100***

"With aching first love, stunning world-building and a supporting cast that beg for their own books, *The Love That Split the World* has everything a story needs to turn me into an obsessed reader, begging for more. I am absolutely in love!" –**Christina Lauren, *New York Times* bestselling author**

"The sweet, summertime mist of small-town Kentucky sets the perfect stage for this authentic, magical, and oh-so-swoony debut. An evocative exploration of first love, identity and the power of story! A must read." –**Wendy Wunder, author of *The Probability of Miracles* and *The Museum of Intangible Things***

"A well-written piece of magic realism about the price we pay for daring to love, and the price we pay if we

don't." –*Booklist*

“It’s got all the ingredients of a riveting read, like time travel and a mythology twist.” –*EW.com*

About the Author

From reader reviews:

Dennis Fleenor:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each book has different aim or goal; it means that guide has different type. Some people experience enjoy to spend their the perfect time to read a book. They can be reading whatever they consider because their hobby is usually reading a book. Why not the person who don't like examining a book? Sometime, individual feel need book once they found difficult problem or even exercise. Well, probably you should have this The Love That Split the World.

Jodie Long:

The book The Love That Split the World can give more knowledge and information about everything you want. So why must we leave the good thing like a book The Love That Split the World? Some of you have a different opinion about publication. But one aim which book can give many info for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or details that you take for that, it is possible to give for each other; you could share all of these. Book The Love That Split the World has simple shape nevertheless, you know: it has great and large function for you. You can appearance the enormous world by wide open and read a book. So it is very wonderful.

Sam Hasse:

Reading a book tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some analysis before they write on their book. One of them is this The Love That Split the World.

Johnny Sutton:

Your reading sixth sense will not betray you, why because this The Love That Split the World e-book written by well-known writer who really knows well how to make book which might be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still doubt The Love That Split the World as good book not simply by the cover but also through the content. This is one e-book that can break don't evaluate book by its protect, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.
