The Wrong Side Of Love 2: A Hood Love Story By Charmanie Saquea

Jayliah is having a hard time picking up the pieces and getting her life back on track after losing her son. On top of that she has to deal with a bitter baby mama that she wasn't even aware of Tariq having. In the midst of all the turmoil going on in her life, she's hit with more major news that could once again rock her world.

Zeek has always taken pride in the fact that he has been able to run his operation successfully and out of the eye of the law. Now that all of that has changed, he has been hit with the task of avoiding spending the rest of his life behind bars. Calling in reinforcement to help him get rid of his problems seemed like the right thing to do, until he realized he could have possibly been making a deal with the devil himself.

Coco was shocked to find out Elias' true identity but was even more shocked to find out Zeek thought she was working with him. Feeling betrayed, Coco wrote Zeek off and wanted nothing else to do with him, at least that's what she kept telling herself. Her heart was saying something completely different.

As much of a stand up guy Tariq tries to be, he has skeletons of his own. His two worlds that he tried to keep away from each other unexpectedly collide when his vindictive baby mother does everything in her power to tear him and Jayliah apart. He fights hard to keep the two women out of each other's way while trying to run things while Zeek's away, but things get a little hectic and possibly deadly when Jayliah figured she's had enough.

With Zeek missing in action things back in Detroit get hectic.

Will Elias use Coco to bring him down? Will Jayliah and Tariq's relationship weather the storm? Will Zeek make decisions that are the best for him or will they alter his relationships with the people that love him the most?
