By Sky Purington

**Viking King (The MacLomain Series: Viking Ancestors Book 1)** By Sky Purington

Determined to take a break from her past, Megan cozies down in her million dollar Winter Harbor Maine home and focuses less on money and more on dreams. Building boats was a childhood desire she's determined to pursue. With a love for Viking shipwright skills, she constructs a small scale longship. What she doesn't anticipate is an unexpected call from the past.

Of dragon blood, Viking King, Naðr Véurr Sigdir 'the bold' knew that the bargain he struck with the seers would likely lead to an unpredictable outcome. What he didn't foresee is a beautiful, headstrong woman from the future washing up on his shores.

Caught between twenty-first century America and ninth century Scandinavia, two souls connect. Both determined and headstrong, their battle soon becomes not one made of the eras separating them but all the unexpected moments that drive them closer together.

Anger. Need. Distrust. Hope. Never-ending desire. All merge, warring and passionate, when a modern day woman and a Viking king surge forward together to conquer not only their enemies but what lies within their hearts.
