Editorial Review

Review

Noah Sanders . . . has written a groundbreaking book . . . I say Noah's book is groundbreaking because it is the first and only book I've ever read that looks at farming and agriculture from God's point of view, as revealed in Scripture. Every Christian . . . who either grows (or has a hankering to grow) a garden, or be any sort of larger-scale farmer, needs to read Born-Again Dirt . . . [It] is destined to become a classic in the world of contra-industrial, Christian-agrarian literature. **-Herrick Kimball, Author of The Deliberate Agrarian Blog**
