Omega For The Dragon Prince (M/M Gay MPreg Shifter Romance) By TJ Cross

A royal heir for a royal dragon...

Rolf:

Being a **dragon prince** isn't easy and neither is knowing my days are numbered unless I **find a mate to carry my child**.

I thought I'd accepted my fate, but something shifted in me when Sawyer Arlington showed up at the charity auction.

He may be a **human** but there's no denying this **bond** we have is real.

Now I have to prove myself to him and fast — I need him to **further my royal dragon bloodline**.

Sawyer:

Life hadn't been going well for me lately, even worse I'd resorted to **auctioning myself off for dates** in attempt to make my rent on time.

For some reason dragon prince Rolf Abrams wanted to buy me, and I'm glad he did because there's no denying **his sex appeal and charms** don't work on me.

But I know **he has a secret**, and even worse is that I can't help sticking by him even though I know **his world is dangerous**.

Anything he wants, I'll do it, I'm his now.

Omega for the Dragon Prince is a steamy M/M paranormal novella involving MPreg themes and a soul-bond between a dragon royal and his sweet human mate. This is a standalone book with no cliffhanger and a HEA including a satisfying epilogue.
