In the stillness of his Paris apartment, Jean Daragane has built a life of total solitude. Then a surprising phone call shatters the silence of an unusually hot September, and the threatening voice on the other end of the line leaves Daragane wary but irresistibly curious. Almost at once, he finds himself entangled with a shady gambler and a beautiful, fragile young woman, who draw Daragane into the mystery of a decades-old murder. The investigation will force him to confront the memory of a trauma he had all but buried. This masterly novel penetrates the deepest enigmas of identity and compels us to ask whether we ever know who we truly are.

**“Moody . . . Lyrical . . . A pleasure.” —** *Kirkus Reviews*

**“A writer unlike any other and a worthy recipient of the Nobel.” —** *Wall Street Journal*

#### From the Inside Flap

#### **A haunting novel of suspense from an acclaimed literary master**

In the stillness of his Paris apartment, Jean Daragane has built a life of total solitude. Then a surprising phone call shatters the silence of an unusually hot September, and the threatening voice on the other end of the line leaves Daragane wary but irresistibly curious. Almost at once, he finds himself entangled with a shady gambler and a beautiful, fragile young woman who draw Daragane into the mystery of a decades-old murder. The investigation will lead him to confront the memory of a trauma he had all but buried.

With *So You Don't Get Lost in the Neighborhood*, his first publication since winning the 2014 Nobel Prize in literature, Patrick Modiano adds a new chapter to a body of work whose supreme psychological insight and subtle, atmospheric writing have earned him worldwide renown. This intense, sinuous novel, now translated into twenty-five languages, penetrates the deepest enigmas of identity and compels us to ask whether we ever know who we truly are.

#### From the Back Cover

Readers new to Modiano, drawn in by the Nobel Prize, will enter a universe unlike any other and will remain forever captive to its enchantments. *Figaro*

Modiano's attraction comes from his style, which is laconic and beautiful but also quite accessible . . . I devoured all of his books. Alice Kaplan, author of *Dreaming in French*

An author with a virtuoso's command of language, equally at ease with the simple and the complex, the precise and the evocative. *New York Review of Books*

Modiano's most recent novel is a work of melancholic beauty . . . Sincere, shattering, magnificent. *L'Express*

A small gem . . . Immediately striking and affecting. *Elle France*
