### Editorial Review

From the Publisher

Once upon a time, when the ancient Celtic people believed fiery serpents flew across the sky, mapmakers wrote, "here be dragons" across unexplored territory. There is still unexplored territory. It may be in reaching deeper levels of Tarot readings, achieving more successful magic, or opening your heart to new possibilities.

That unexplored territory is still ruled by dragons. Now you can discover their secrets and work with them when you get *The Celtic Dragon Tarot*, designed by D. J. Conway and brought to life by fantasy illustrator Lisa Hunt.

*The Celtic Dragon Tarot* is a boxed set with a 78-card Tarot deck and the 240-page book, *A Guide to the Celtic Dragon Tarot*. Together they form a team that will bring new depths to your spiritual work.

The book includes complete explanations of the symbolism on each card and their divinatory meanings, as well as several layouts for immediate use. You will also learn how to use the potent elemental energies of the dragon when you combine the deck with candle magic and in meditation.

Get the book and deck set that makes up *The Celtic Dragon Tarot*. You'll be glad you did.
