The Inheritance By Robin Hobb

A collection of short stories from one of the most critically acclaimed authors in the fantasy genre, Robin Hobb. Including work written under her pseudonym, Megan Lindholm. Bingtown heiresses rub shoulders in this wonderful collection with vampires and alien musicians, tramps and feral cats. In "The Homecoming", Lady Carillion Carrock and a number of other Jamaillian nobles are sailing to the Cursed Shores. Their journey is not by choice: for plotting against the Satrap, their wealth has been confiscated and they have been exiled. Until now, Carillion has done nothing but lead a life of privilege. She believes they are bound for wondrous cities, cities where ancient kings and queens dusted their skin with gold and wore jewels above their eyes. But when she is marooned by the ship's unscrupulous captain, she will soon discover the grim reality of what survival in the Rain Wilds entails.

"The Silver Lady" is a would-be writer, eking out a dull existence by working in a Sears store. The one day a man comes in: fortyish, pleasant-looking. Nothing out of the ordinary. Except he says his name is Merlin, and he's about to change her life. Rosemary got involved with the wrong man. Pell is lazy, good for nothing, a bully. Her best friend Hilia knew it and so did her tom cat, Marmalade. But love is blind: Rosemary had Pell's baby, renovated the cottage his grandfather left in his will, turned its land to good use; and then he left her for another woman. Now he's back, and something must be done...

Editorial Review

Users Review

From reader reviews:

Linda Hill:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each book has different aim or perhaps goal; it means that publication has different type. Some people truly feel enjoy to spend their time for you to read a book. They are reading whatever they consider because their hobby will be reading a book. What about the person who don't like reading a book? Sometime, particular person feel need book once they found difficult problem or perhaps exercise. Well, probably you will want this The Inheritance.

Hattie Adkins:

Now a day people that Living in the era where everything reachable by connect to the internet and the resources included can be true or not demand people to be aware of each facts they get. How many people to be smart in acquiring any information nowadays? Of course the answer is reading a book. Examining a book can help individuals out of this uncertainty Information especially this The Inheritance book because this book offers you rich data and knowledge. Of course the data in this book hundred percent guarantees there is no doubt in it everbody knows.

John Hill:

The event that you get from The Inheritance may be the more deep you searching the information that hide within the words the more you get serious about reading it. It does not mean that this book is hard to recognise but The Inheritance giving you joy feeling of reading. The copy writer conveys their point in selected way that can be understood by means of anyone who read the item because the author of this reserve is well-known enough. That book also makes your personal vocabulary increase well. So it is easy to understand then can go along, both in printed or e-book style are available. We advise you for having that The Inheritance instantly.

Joseph Rankins:

Many people spending their period by playing outside along with friends, fun activity with family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book can definitely hard because you have to take the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Touch screen phone. Like The Inheritance which is having the e-book version. So , why not try out this book? Let's notice.
