Blush (Rockstar Book 2) By Anne Mercier

DISCLAIMER This is not a dark romance. There will be minimal angst or drama. There will be lots of laughs, frequent dropping of the F-bomb, and crazy monkey sex.

You know how people say they woke up in Vegas married and you're like, how the hell could that possibly happen? Who does that? Well, us apparently... and the press is having a field day.

Let's not even get started on the topic of my mother. Then there's my grandpa wanting to meet my new husband--that's not scary at all. On top of that, we're heading out on tour and I'm a nervous wreck--factor in the fact that Jesse's newly changed marital status doesn't seem to be an issue for the groupies. Nothing deters them. Not even the fact that I'm standing right there when they proposition him.

I can handle the press, my mom, and even my grandpa. But the women who are ruining my current mood of "happy", well, they've got another thing coming. It's time to put these women in their place because nobody messes with my happily ever after.

Lucy and Jesse continue in Blush, Rockstar #2.

Editorial Review

Review

As featured in Glamour Magazine!

"What's refreshing about this rocker book is we don't have the usual....wild partying,wild sex (well yes between J and L)with anything that moves and an over dose of drama and heartbreak. What we have is a fantastic rocker book about two bands, the stories of the people in them written brilliantly with the right mix of everything. I cant wait for the next ride!!!!"

~ Reading The Sheets

"I love Anne's easy writing style, and oh boy, does she have me laughing like crazy in Blush. The love scenes are freakin HAWT, and it's brilliant how she intertwines the 2 bands to make them a big happy family that just works."

~ Jennifer Pierson, The Power of Three Readers

" I love this book! It shows the love between Jesse and Lucy, and how deep it is. There are many obstacles, pain, betrayals and even danger, but that's what makes it a brilliant book."

About the Author

First and foremost I'm a voracious reader. I get inspired by reading the stories from my favorite authors as well as listening to various types of music. I am a huge fan of music, chocolate, fruit, desserts, autumn, M. Shadows, Avenged Sevenfold, and Milo Ventimiglia. Through my books, I am proudly creating new Avenged Sevenfold and Milo Ventimiglia fans one reader at a time.

"The best part of being an author, to me, is being able to take the reader to that one place they long to go when they need to escape reality. Knowing I can do that, for even one reader, makes what I do worthwhile."
