## Equine Health and Emergency Management By Bonny Henderson

Equine Health and Emergency Management is intended for the learner to be able to understand and implement actions to improve the health and wellness of horses in their care. The series of chapters flow from horsemanship and responsibility to guidelines for health and maintenance, and recognizing the difference between a regular veterinary appointment, and a true emergency call. It effectively guides the reader through what's normal, and to recognize what's not. This book can help the effectiveness of the reader's communication with his/her veterinarian. Throughout the chapters there are numerous pictures and tables for reference. Important information on disasters is included covering how to be prepared from formulating a plan to being able to put it into action. The goal of this book is to help the reader think, prepare, plan, and be able take action if necessary, when necessary.

### Editorial Review

#### Review

This title can be used in a general horse health course at the undergraduate level and also in a veterinary technology large animal diseases course. I think that the book is a good idea. While there are many horse health or first aid books available for the layperson, no book is available that is designed to be used as a textbook. With the continuing interest in horses and the increasing numbers of students in equine programs, I feel this textbook has good potential.

This project is very worthwhile, not just for use as a teaching text for the right class, but also as a reference for horse owner and businesses. It appears to be thorough, in- depth, and well developed.

#### About the Author

After years of working with horses, Bonny Henderson began her undergraduate education in Geneseo, NY. Dr. Henderson graduated from the New York State College of Veterinary Medicine at Cornell in 1994 and is certified by the International Veterinary Chiropractic Association. In 2000, Dr. Henderson and her husband opened the Henderson Equine Clinic. Today their respected clinic services the equine needs in Western New York with quality, compassionate care. In her spare time Dr. Henderson is an avid foxhunter.

### Users Review

#### From reader reviews:

##### **Ricky Copeland:**
