Gypsy Music in European Culture: From the Late Eighteenth to the Early Twentieth Centuries By Anna G. Piotrowska

Translated from the Polish, Anna G. Piotrowska's *Gypsy Music in European Culture* details the profound impact that Gypsy music has had on European culture from a broadly historical perspective. The author begins by identifying two models of discourse on Gypsy music: those of assimilation, as in the national music of Hungary and Spain, and nonassimilating types, which often fall into racial stereotypes and associations with the exotic. Using these broad typologies as a jumping-off point, she then details the stimulating influence that Gypsy music had on a variety of European musical forms, including opera, vaudeville, ballet, and vocal and instrumental compositions. The author analyzes the use of Gypsy themes and idioms in the music of recognized giants such as Bizet, Strauss, and Paderewski, detailing the composers' use of scale, form, motivic presentations, and rhythmic tendencies, and also discusses the impact of Gypsy music on emerging national musical forms.

This is the first comprehensive treatment of Gypsy musical forms and their impact on European musical taste and styles from the eighteenth to the twentieth centuries and will be welcomed by scholars and students in ethnomusicology, anthropology, cultural studies, and the history of music.

Hardcover is un-jacketed.

Editorial Review

Review

“Anna G. Piotrowska has written an insightful look into the ways the music of the Romany people was understood and appropriated in Europe. Concentrating on the long nineteenth century, Piotrowska introduces readers to the use of Gypsy themes in various musical genres, from stage works to instrumental miniatures, and allows us to appreciate how academic discourse influenced the shaping of what can be called the topos of Gypsy music in European culture.” —Zinaida Kartasheva, Moscow State University of Culture and Arts

“An admirably thorough and thoughtful approach to a question that has vexed musicians and musicologists since the eighteenth century.” —Jeremy Yudkin, professor of music and chair of the Department of Musicology and Ethnomusicology, Boston University

“Combining musicological knowledge with historical awareness and cultural perspective, Piotrowska takes the reader on a journey to several European countries and gives us a panoramic yet detailed presentation of the appropriation of Gypsy music, contextualizing compositions to their sociological and historical circumstances.” —Mikhail Uvarov, Saint Petersburg State University

About the Author

ANNA G. PIOTROWSKA is assistant professor in the Institute of Musicology at the Jagiellonian University, Krakow.

Users Review

From reader reviews:

Curtis Wilson:

Reading a book being new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a wide range of benefit. Linda Hill:

That reserve can make you to feel relax. This book Gypsy Music in European Culture: From the Late Eighteenth to the Early Twentieth Centuries was multi-colored and of course has pictures on the website. As we know that book Gypsy Music in European Culture: From the Late Eighteenth to the Early Twentieth Centuries has many kinds or style. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading this.

Maria Forshee:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Gypsy Music in European Culture: From the Late Eighteenth to the Early Twentieth Centuries can make you really feel more interested to read.
