### Imaginary Lines By Allison Parr

Tamar Rosenfeld has been in love with New York Leopards linebacker Abraham Krasner since they were twelve years old. She'd always considered it destiny that they'd end up together...until Abe was drafted and she professed her feelings in a moment of blind excitement. The sting of his rejection was like nothing she'd ever felt before, and it's nothing she'll ever forget.

Older and wiser, Tamar has landed a dream job as a reporter for one of New York's premier athletic websites. Determined to stop being the safe, boring girl she's felt like for most of her life, Tamar makes a list of all the things she wants to do and see in her new city, and Getting Over Abraham is priority number one.

But destiny has finally chosen to interfere. Just as Tamar's decided to move on, Abe's realized she's the only woman for him. When he confides the truth, Tamar has to decide if she can put her crush behind her, or take a chance on the very man who's been holding her back all these years.

### Editorial Review

Review

#### Library Journal Starred Review:

Tamar Rosenfeld has loved childhood pal Abraham Krasner ever since she was 12 years old. At 19, she confessed her love but was crushed to discover her yearning was unrequited. Fast-forward four years: Abe is now the star linebacker for the New York Leopards professional football team, and Tamar has just moved to the Big Apple to pursue a position as a reporter for *Sports Today*. It was only a matter of time before Tamar's and Abe's lives would intersect, especially since Tamar has been hanging around the team to get a story. Abe was slow to realize his feelings, but now that Tamar is in town, he can't risk losing her again. Tamar refuses to have her heart torn out a second time, but irresistible Abe is making it difficult for her to stand her ground. When an opportunity arises for Tamar to write a piece on the faulty equipment that jeopardizes the safety of the team, she takes it, even when the fallout could cost her and Abe everything.

**Verdict** Abe's and Tamar's endearing resolve to stay together during a pivotal hour of darkness will make even the harshest cynic want love to prevail. Parr's (*Rush Me*; *Running Back*) writing has only gotten stronger in this delightful third foray into new adult territory. This reviewer hopes for much more to come from this author.--Kara Kohn, Plainfield P.L, IL
