Just The Way You Are By Lynsey James

A laugh-out-loud summer treat for fans of Mhairi McFarlane, Lindsey Kelk and Giovanna Fletcher.

Dear Ava,

How do you start writing a letter to someone, six years after breaking their heart?

Ava is unlucky in love as well as in life. The new office bitch has landed the dating column Ava wanted, and she can't remember the last time she had a second date. It's a good thing she has best friends Max and Gwen to pick up the pieces.

Deep down, Ava knows the reason why one date never turns into two - she's in love with someone else. Someone she's never even met.

It all started six years ago, with a letter from a secret admirer, Mr Writer... but then they suddenly stopped and Ava was heartbroken.

Now the letters have started again and Ava knows it could mean winning back the dating column at work. This time she's determined to unmask Mr Writer... and find out once and for all if he's Mr Right or Mr Very Definitely Wrong!

Praise for Lynsey James

'... I loved that Lynsey made me so invested in the characters - not just Ava, all of them. They all have their quirks and their flaws; they made me laugh, they made me cry and they made me want to scream at my Kindle. That marks the sign of fantastically real characters.' - **Jenny in Neverland, 5* review**

'Just The Way You Are is drenched in charm and humour, with delicious heroes, hilarious villains and two very sweet love stories for the price of one.

If you can't wait for a little more warmth this summer, get reading Just The Way You Are, and you'll have all the sunshine you need.' - **Lisa Dickenson, author of The Twelve Dates of Christmas, You Had Me at Merlot and Catch Me If You Cannes**

'Dreamy and delightful!' - **Chicks That Read, 5* review**

'If you're a fan of romance or a chick-lit addict...then I urge you to give this book a go. It's warm, clever, sweet and an absolute delight.' - **Bookaholic Holly, 4***

You can also get the e-book in the official web site, so you can quickly to read the book.

James McDonald:

Reading a guide tends to be new life style within this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their own reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some investigation before they write to the book. One of them is this Just The Way You Are.

Jose Enriquez:

The reason why? Because this Just The Way You Are is an unordinary book that the inside of the book waiting for you to snap this but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the reserve store hurriedly.

Kenneth Armstrong:

As we know that book is essential thing to add our information for everything. By a publication we can know everything we would like. A book is a range of written, printed, illustrated or blank sheet. Every year had been exactly added. This reserve Just The Way You Are was filled regarding science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading a new book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like at this point, many ways to get book you wanted.
