Editorial Review

Amazon.com Review

The 7 Habits of Highly Effective People: Powerful Lessons in Personal Change was a groundbreaker when it was first published in 1990, and it continues to be a business bestseller with more than 10 million copies sold. Stephen Covey, an internationally respected leadership authority, realizes that true success encompasses a balance of personal and professional effectiveness, so this book is a manual for performing better in both arenas. His anecdotes are as frequently from family situations as from business challenges. Before you can adopt the seven habits, you'll need to accomplish what Covey calls a "paradigm shift"--a change in perception and interpretation of how the world works. Covey takes you through this change, which affects how you perceive and act regarding productivity, time management, positive thinking, developing your "proactive muscles" (acting with initiative rather than reacting), and much more. This isn't a quick-tips-start-tomorrow kind of book. The concepts are sometimes intricate, and you'll want to study this book, not skim it. When you finish, you'll probably have Post-it notes or hand-written annotations in every chapter, and you'll feel like you've taken a powerful seminar by Covey. --Joan Price

Review

"Dun's Business Month" When Stephen Covey talks, executives listen.

M. Scott Peck author of "The Road Less Traveled" The 7 Habits have the gift of being simple without being simplistic.

From the Publisher

The 7 Habits Of Highly Effective People is a comprehensive program based on developing an awareness of how perceptions and assumptions hinder success---in business as well as personal relationships. Here's an approach that will help broaden your way of thinking and lead to greater opportunities and effective problem solving. Be Pro-Active: Take the initiative and the responsibility to make things happen. Begin With an End in Mind: Start with a clear destination to understand where you are now, where you're going and what you value most. Put First Things First: Manage yourself. Organize and execute around priorities. Think Win/Win: See life as a cooperative, not a comprehensive arena where success is not achieved at the expense or exclusion of the success of others. Seek First to Understand: Understand then be understood to build the skills of empathetic listening that inspires openness and trust. Synergize: Apply the principles of cooperative creativity and value differences. Renewal: Preserving and enhancing your greatest asset, yourself, by renewing the physical, spiritual, mental and social/emotional dimensions of your nature. Stephen R. Covey is the most respected motivator in the business world today. Learn to use his *7 Habits Of Highly Effective People*--and see how they can change your life.

From reader reviews:

Tod Espitia:

Spent a free time to be fun activity to complete! A lot of people spent their spare time with their family, or all their friends. Usually they performing activity like watching television, planning to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Will you something different to fill your free

time/ holiday? Can be reading a book may be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to test look for book, may be the guide untitled The 7 Habits of Highly Effective People - Signature Series: Insights from Stephen R. Covey can be excellent book to read. May be it could be best activity to you.

Roderick Olin:

The reason? Because this The 7 Habits of Highly Effective People - Signature Series: Insights from Stephen R. Covey is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such remarkable way makes the content inside of easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking way. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Dora Bair:

Reading can called thoughts hangout, why? Because while you are reading a book especially book entitled The 7 Habits of Highly Effective People - Signature Series: Insights from Stephen R. Covey your head will drift away trough every dimension, wandering in each and every aspect that maybe unknown for but surely can become your mind friends. Imaging each and every word written in a guide then become one web form conclusion and explanation which maybe you never get previous to. The The 7 Habits of Highly Effective People - Signature Series: Insights from Stephen R. Covey giving you one more experience more than blown away the mind but also giving you useful information for your better life on this era. So now let us explain to you the relaxing pattern here is your body and mind will likely be pleased when you are finished examining it, like winning a. Do you want to try this extraordinary wasting spare time activity?

Mary Otter:

Are you kind of busy person, only have 10 as well as 15 minute in your time to upgrading your mind skill or thinking skill also analytical thinking? Then you are having problem with the book than can satisfy your small amount of time to read it because all of this time you only find publication that need more time to be go through.
