Gemma and Harper Fisher are facing the fight of their lives. Gemma has been cursed with extraordinary powers that have a terrifying dark side, but she's finally found what she needs—a way to break the curse and become human again. But finding the means to do it will be her greatest challenge yet. And now Penn, Lexi and Thea—the gorgeous but deadly creatures who cursed her—are determined to kill her before she has a chance. Making matters worse, Penn has her sights set on Daniel—the guy Harper loves—and Penn *always* gets what she wants.

As Gemma and Harper race to break the curse before it's too late, they're thrust deeper into a mythical world of immortal secrets. They must delve into their enemies' past to find the answers they need, even if it means being drawn deeper into their savagely beautiful world. But one of the girls is not what she seems...and Gemma finds an unlikely ally as she struggles to save herself. But will it be enough to break an ancient curse that no one has ever escaped alive?

In the third book in Hocking's Watersong series (*Wake* and *Lullaby*, both 2012), Gemma is fighting desperately against her siren instincts, which compel her to feed on human blood at least once a month. She has alienated Alex, the love of her life, in order to protect him, and she risks doing the same with other friends and her family to save them from either her or her siren sisters' violence and destruction. The only one seemingly immune to the sirens' seductive charms is Harper's boyfriend, Daniel. Together, he and Harper agree to protect Gemma and her father at all costs, a price that siren Penn is determined to extract from Daniel, with unpredictable consequences. Simultaneously, Gemma begins her search for the scroll that will allow her to destroy the siren curse—and, in turn, the sirens themselves. Once again, Hocking's paranormal suspense storytelling, which blends myth with contemporary teenage life, will draw readers under its spell only to leave them hanging until the next installment. **HIGH-DEMAND BACKSTORY:** Hocking has sold more than a million copies of her self-published titles. The publisher is pulling out all the stops for this new series, with promotions that include a national TV ad campaign. Grades 6-9. --Frances Bradburn
