

Treatise On Laughter

By Laurent Joubert

Treatise On Laughter By Laurent Joubert

Laurent Joubert (b. 1529) was an important figure in the medical world of the French Renaissance. His monumental *Treatise on Laughter* provides categories and examples of the laughable. The work describes laughter, its causes and effects, its types and differences. His subdivisions and categories, along with their examples, furnish today's critic and reader with a Renaissance vision of comic commonplaces. It is this vision that may prove to be of great value in analyzing comic literature of the Renaissance.
