Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States. By Ekaterina Mouratova

This book is an essential resource for everyone involved in business transactions and operations. It is a useful assistant to entrepreneurs, business owners, managers, and other professionals. Business law governs all commercial activities, and businesspeople deal with it on a daily basis, even when they do not realize it. Entrepreneurs and managers should be familiar with the applicable statutes and regulations in order to make calculated decisions rather than uneducated guesses and costly mistakes. Business Law for Entrepreneurs was written to serve as a reference guide during the start-up stage of the business as well as during the further functioning of the company. The book covers a broad range of subjects that are applicable to various industries. Readers can refer to specific chapters when and if a need for particular information arises during their business operations. The book provides necessary information, explanations, examples, and practical solutions. It does not overwhelm with jargon, legalese, or extremely technical details. Straightforward presentation of the material makes this book easily understandable to people of different educational and professional backgrounds. The author, Ekaterina Mouratova, Esq. holds law degrees from Pyatigorsk State Technological University (Russia) and Pace University School of Law (New York, USA). Before becoming an attorney, Ekaterina was a business owner and a CEO of a public corporation. Now, she uses her extensive legal and business experience to provide guidance to domestic and international entrepreneurs, helping them to accomplish their business goals smoothly and expeditiously.

Editorial Review

About the Author

Ekaterina Mouratova is the founder of The Law Firm of Ekaterina Mouratova, PLLC. She focuses her practice on business and corporate law, securities regulations, intellectual property, immigration, and real estate transactions. Ekaterina holds law degrees from Pyatigorsk State Technological University (Russia) and Pace University School of Law (New York, USA). With a comprehensive education both in civil and common law systems and a precise understanding of multicultural practices, Ekaterina successfully represents domestic and international clients. Before becoming an attorney, Ekaterina was personally involved in business. For a number of years, she served as a CEO of the public corporation, a wholesale and retail trade company, with hundreds employees. As a business owner, Ekaterina was drawn to study business and financial law in order to help other business owners develop and grow their ventures and at the same time, protect their rights and interests. Having been on the clients' side of business transactions,, she understands, from a practical perspective, what is essential to accomplish the business purposes of her clients while avoiding the obstacles. Ekaterina represents individuals and companies in a broad range of industries, including sales, services, manufacture, e-commerce, financial, entertainment and many others. She provides sophisticated assistance and advice to clients in all aspects of their business and legal climates, including organizational, managerial, contractual, employment, and regulatory issues. Passionate about the law and very dedicated to her profession, Ekaterina is a frequent speaker at seminars and author of multiple publications on business law. She is an active member of the New York State Bar Association, the American Bar Association, and a pro bono attorney via the Neighborhood Entrepreneur Law Project of the New York City Bar Association, a professional community that provides low- and middle-income entrepreneurs with legal services in all business matters.

Users Review

From reader reviews:

Louise Rosenbaum:

This Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States. book is not really ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is information inside this reserve incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States. without we comprehend teach the one who examining it become critical in considering and analyzing. Don't possibly be worry Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States. can bring any time you are and not make your carrier space or bookshelves' come to be full because you can have it inside your lovely laptop even phone. This Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States. having excellent arrangement in word as well as layout, so you will not feel uninterested in reading.

Laura Crabtree:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the particular

information inside the book this improve your knowledge and information. The info you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one having theme for entertaining including comic or novel. The actual Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States. is kind of reserve which is giving the reader unstable experience.

Clarence Delapaz:

Playing with family in a very park, coming to see the sea world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States., it is possible to enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its named reading friends.

Joyce Pippin:

In this era which is the greater individual or who has ability in doing something more are more important than other. Do you want to become one of it? It is just simple approach to have that. What you should do is just spending your time little but quite enough to have a look at some books. One of many books in the top listing in your reading list is usually Business Law for Entrepreneurs.: A Legal Guide to Doing Business in the United States.. This book which can be qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking way up and review this reserve you can get many advantages.
