

Classic Tales of Oscar Wilde

By Oscar Wilde

Classic Tales of Oscar Wilde By Oscar Wilde

And the Giant's heart melted as he looked out. 'How selfish I have been!' he said; ". . . I will knock down the wall, and my garden shall be the children's playground for ever and ever."

The five stories in his collection for children show Wilde at his best; moving, witty, and wise. In *The Happy Prince*, a grand but lonely statue recruits a swallow to help him give to people in need; in *The Nightingale and the Rose*, a small bird makes a great sacrifice for love; *The Selfish Giant* is a beautiful story of the triumph of kindness; *The Devoted Friend* is a morality tale told to a pompous water rat; and *The Remarkable Rocket* charts the rise and fall of a particularly arrogant firework at a royal wedding.
