## Dante's Inferno By Dante Alighieri

Dante's Inferno. An epic and searing poem, that takes the reader on an intense journey through the darkest pits of hell. As important and classic as the day it was written over 600 years ago. Dante's Inferno is one of the best and enduring works of Western Civilization. The immortal drama of a journey through Hell. Belonging in the immortal company of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest at the ways in which men have thwarted the divine plan. One of the few literary works which has enjoyed a fame that was both immediate and enduring, The Inferno's power has not been lessened or obscured after six centuries. It confronts the most universal values—good and evil, free will and predestination—while remaining intensely personal and ferociously political, for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times.

### Editorial Review

#### About the Author

Durante degli Alighieri, was a major Italian poet of the Late Middle Ages. His Divine Comedy, originally called *Comedia* (modern Italian: *Commedia*) and later christened *Divina* by Boccaccio, is widely considered the greatest literary work composed in the Italian language and a masterpiece of world literature. In the late Middle Ages, the overwhelming majority of poetry was written in Latin, and therefore accessible only to affluent and educated audiences. In *De vulgari eloquentia* (*On Eloquence in the Vernacular*), however, Dante defended use of the vernacular in literature. He himself would even write in the Tuscan dialect for works such as *The New Life* (1295) and the aforementioned *Divine Comedy*; this choice, although highly unorthodox, set a hugely important precedent that later Italian writers such as Petrarch and Boccaccio would follow. As a result, Dante played an instrumental role in establishing the national language of Italy. Dante's significance also extends past his home country; his depictions of Hell, Purgatory, and Heaven have provided inspiration for a large body of Western art, and are cited as an influence on the works of John Milton, Geoffrey Chaucer and Lord Alfred Tennyson, among many others. In addition, the first use of the interlocking three-line rhyme scheme, or the *terza rima*, is attributed to him. Dante has been called "the Father of the Italian language" and one of the greatest poets of world literature. In Italy, Dante is often referred to as *il Sommo Poeta* ("the Supreme Poet") and *il Poeta*; he, Petrarch, and Boccaccio are also called "the three fountains" or "the three crowns".

### Users Review

#### From reader reviews:

##### **Daniel Kirk:**

This book untitled Dante's Inferno to be one of several books this best seller in this year, that's because when you read this reserve you can get a lot of benefit into it.
