Editorial Review

Review

Officers are best prepared when they learn from their peers, and this book by Samuel M. Candelaria and George S. Steffen will have a tremendous effect on how law enforcement officers accomplish their role in fighting drug trafficking and associated crime. Drug enforcement cannot be measured but must be aggressive and a major part of community efforts to maintain public safety. Anything less is not acceptable.

- Gilbert G. Gallegos, Chief, Albuquerque Police Department and Former National President of the Fraternal Order of Police, in the Foreword to this book
