I Love My Breakup (I Love My...Romance Book 1) By Sabrina Lacey

AN AMAZON #1 BESTSELLER IN ROMANCE AND ROMANTIC COMEDY!

Jessica here. I was dating David. Actually, we lived together. It was great, so I never saw the breakup coming. I never saw the cheating, lying, dirtbag-jerk-a-hole, I've-been-sleeping-with-someone-else, heart-shattering BOMB... coming. Sometimes it takes heartbreak to change us for the better. Wish it didn't have to be that way, but that's what happened to me. Turns out MAYBE breakups don't have to suck?

If you loved Sex & The City, Devil Wear Prada and Bridget Jones Diary, you'll enjoy this much steamier Romantic Comedy series.

"This is a funny series that really needs to be read in order and preferably at one time. Jessica, Nicole and Amber are solid characters and I do like the one Jess ends up with. And no, I'm not going to say who it is." -- Hearts On Fire Reviews

"...a refreshing erotic romance. Not like some other one I've read where its main focus was just the sex. This story actually had a story line and it was a good one." -- Two Tale Tales Blogspot

"I love Jessica, I feel like she could be a friend. I like how the author incorporates pop culture tidbits, makes the reader feel like a part of the story. I definitely get a Sex and the City vibe from these ladies." -- Author Anna Chastain

SL: Jess is strong, but she's also wacky and fun.

Jessica: "Have you ever wondered how you got where you are, and if you want to stay here? Me too. I don't have the answer though, so I drink at lunch."

SL: Her vulnerability is vibrant at this point in her life because she's standing among the broken glass of a betrayed heart. What she doesn't know is that her real heart was underneath the glass one.

Jessica: "This makes me want to laugh, but I stifle it. Maybe he won't get my humor. Better to hide that for now."

SL: We're all part of a new wave of entertainment that says, "We are human beings and the body is a playground." In my books, that playground involves women who are overcoming troubles in order to find love.

GWTW:Most romantic stories have one male easily identifiable as the *hero*, but Lacey has written *I Love My Healed Heart*, so as the *hero* could have been one of three men. How did she create three men, potentially believable as Jess's hero?

SL: For me, there isn't always one guy who opens your heart up to get you ready for love. It's often a few doing the work to prepare you for the one. And they, too, have their *one*. And you helped prepare them for her. It's a beautiful angle of life's shape that I've witnessed over and over. The path isn't linear. It's bumpy and multifaceted.

GWTW:If more authors wrote their heroine's experiences of sex and romance like this, there would be more satisfied women in the world. - GoneWithTheWord.com
