Make Me Remember By Beth Kery

### Part Seven of the Make Me Serial

**The riveting serial novel from *New York Times* bestseller Beth Kery continues, as the truth of Jacob and Harper’s terrible past begins to come to light—threatening to destroy Harper’s safety and make her never look at Jacob the same way again...**

During sun-drenched, passionate days spent on Jacob’s yacht, Harper and Jacob fall deeper in love, taking risks not only with their bodies but their hearts. The only thing standing between Jacob and pure bliss is the suspicion that Harper’s memories are returning. If they do, she may never see him the same way again—or let him keep her safe from the horror that she faced as a young girl...

The sense of security and trust Harper feels with Jacob has her finally abandoning herself to sensual decadence along with the truth that she’s hopelessly in love with this dark, daring man. With her submission to her feelings, sad memories and dreams begin to rise to the surface of her consciousness-and hers isn’t the only past being unburied. When one of her reporters reveals a startling revelation about Jacob’s history, their shared experiences crash together in a way that will change her forever.

Don’t miss the jaw-dropping conclusion in *Make Me Forever*...

Includes a bonus excerpt of Beth Kery’s *Exposed to You*.
