Protect Me (Rivers Edge) (Volume 4) By Lacey Black

Nate Stevens loves three things: Work, Family, Women. In that order. Having absolutely no desire to follow in three of his siblings' footsteps by settling down, Nate lives for his work as a firefighter. That's why his chance meeting with Lia leaves him unsettled like never before. There's just something about the beautifully shy and reserved woman that he can't walk away from. Run. Hide. Keep moving. That's exactly what Lia Walker has done for the last nine months. Escaping from her past, Lia continues to move from place to place before finding herself in the small town of Rivers Edge, Missouri. Following a chance encounter with her new boss' brother, Nate, which leaves Lia feeling confused and vulnerable for the first time in months, Lia has to make a decision: to run or to stay. When pasts are finally exposed, Nate and Lia find themselves at a crossroads. Nate will do anything to protect Lia from her past, but the question remains: Will Lia let him? When Lia's past finally catches up with her, will running be the only way to protect the ones they love most in this world?
