

Sawyer s Guide for Internal Auditors, 6th Edition

By Pat Adams, Sally Cutler, Bruce McCuaig, Sajay Rai, James Roth

Sawyer s Guide for Internal Auditors, 6th Edition By Pat Adams, Sally Cutler, Bruce McCuaig, Sajay Rai, James Roth

First published in 1973, Larry Sawyer's work has helped guide many internal auditors and shaped the profession. While the foundation principles of internal auditing remain core, the ever changing global business environment requires that internal auditors continue to adapt their position as value adding partners in their organizations or risk becoming obsolete.

Sawyer s philosophy was that internal auditors should watch for emerging trends while keeping pace with changes in The IIA's *International Standards for the Professional Practice of Internal Auditing (Standards)*, IT, legislation, and regulations and to respond effectively to international events and evolving governance and risk management mandates. This 6th edition is a 3 volume set, making the content more navigable for the reader, and each volume includes an index and glossary for easy reference.
