By all appearances, Shyla Ball has an enviable life: a loyal boyfriend, a great job, and family that loves her. She doesn't realize how deeply unsatisfied she is until she has an embarrassing encounter with a handsome stranger at a coffee shop. Taylor Holden, a successful businessman, takes a sudden special interest in her and offers her a job she cannot refuse. Soon after, she learns there is much more to this intensely private man than meets the eye. He is hiding many painful secrets, including why it is that he has seemingly plucked her out of obscurity for such a lucrative position. Her "perfect" world is turned upside down by her infatuation towards Taylor and in just a couple of months, her life looks nothing like it did before. While she is frightened by the changes she sees in herself, she cannot resist the lure of Taylor Holden. As Shyla slowly gains Taylor's trust, she learns of his complex history and how it has molded him into the person he has become. When elements of Taylor's secret past resurface and threaten to destroy them, Shyla finds out there may be more to Taylor's story than even he is aware of.

Note: Please note: This is a dark novel and it contains adult themes and content. Both main characters have mental health and emotional issues and are deeply flawed. You will likely have conflicted feelings about the characters. This is not a typical romance novel.

Total series is appx. 321k words.
