The Other Woman: : A Betrayed Wife takes on a Mistress with Scandalous Results (A contemporary, suspense thriller with layers of drama) By E Eve Rabi R

Question: A seductress steals your husband, rips apart your family and shatters your dreams. You:

- Wish them luck and walk away with your head held high (because that's what society expects you to do)?
- Quietly seethe but accept that there is just nothing you can do about it (because it easier for everyone if you do)?
- Dig up dirt on the thief (because someone like this would undoubtedly have dirt), use it to sabotage their relationship, take revenge, then sit back with a glass of Pinot Grigio and watch him and his mistress burn?

Answer: C. Oh, totally C.

Experience the suspense, thrills, mystery, revenge and romance of this Psychological Thriller Suspense Series.

The Other Woman

Meet Scarlett Smyth. She's drop-dead gorgeous, has a rocking body and has an above average IQ. She brags that she can ensnare any husband or taken male, and ...she often does. She also is ambitious and has a penchant for anything expensive.

When the shrewd and ambitious temptress lays eyes on Bradley Murdoch, she believes she has found her dream man and a ticket to the high life she's entitled to. There are just two problems:

- Bradley is married to Rival. Happily at that.
- They have children. Adorable little girls.

The Encounter

Do those facts deter Scarlett in any way? No, not at all. She is determined to steal Bradley, smoothly replace Rival in his life and show him how to really live life. In a calculating move, the seductress (she is so good at seduction, she is even penning a book on it) befriends the quiet and unassuming Rival and worms her way into Bradley's life.

There's more: To expedite things, Scarlett, the mistress, engineers a way to wipe

Rival out of the picture - sends the clueless wife on a "vacation".

The Revenge

But Scarlett may have underestimated her opponent. When Rival realizes the extent of the betrayal, she decides, even though she lacks Scarlett's genius IQ, not to turn the other cheek. In fact, she is determined to win back her husband, believing that he is a good man who is simply mistaking lust for love. She believes that someone like Scarlett has to have skeletons in her cupboards and she begins to snoop around, anything she can use against the other woman, anything that can help her exact revenge.

The Clash

What Rival doesn't realize is: no one crosses Scarlett and gets away with it. As a result, the betrayed wife and the other woman collide. The result is a gripping suspense thriller. This suspense mystery & psychological thriller is free on Kindle Unlimited

Editorial Review

From the Inside Flap

I *stare* at him, all my fingers threaded through my hair, my mind muddled and trying to make sense of everything.

"This is not happening," I mutter. "Can't be happening!" Then I notice Bradley holding her hand. My best friend's hand. With both of his. It's happening.

At this point, I should be furious with him, with her, with the entire deception. I should yell at her, hurl abuse, even threaten to kill her. But I'm numb with shock and disbelief. I sink deep into my hospital chair, and fight the urge to rock. "Where...do...I go with the children?"

"Well, that's been taken care of. They will stay with Scarlett and me. But you can see them -"

I leap to my feet. "No!"

"--whenever you want to."

"I will not let you take my children, Bradley."

"Rival, it's all done." His voice - he's using the same tone he uses on our little girls when they're being unreasonable.

"*Done?*" I feel a stab of panic. "What do you mean by *done*?"

"Oh, for crying out loud!" Scarlett interrupts, "Rival, the courts -"

"Don't speak," I warn, my index finger raised in the air, my eyes fixed on Bradley's face.

"--have appointed--"

"Don't SPEAK!" I repeat.

Bradley quickly stands in front of Scarlett, his arms outstretched in a protective gesture.

"Rival, listen: the court have appointed me sole custodian after you were charged with child negligence. All your visits have to be supervised."

"What!" I blink rapidly. "Supervised visits? Me?"

"Well, Rival," Scarlett says, "you've a drug habit--"

"Shut UP, Scarlett!" I snarl.

"--and the last thing we want to do is to endanger--"

Everything happens so quickly. One minute I am asking Scarlett to shut up, the next I have her on the floor, beating her head with the heavy-duty stapler from my doctor's desk. There's blood all over the floor and all over me.

Both Bradley and the doctor are unable to pull me off Scarlett, and I beat her head like a drum. It takes six men in white to pull me off the woman who stole my husband, my children, my life.

"Let me go!" I yell. "I need to speak to my husband!"

They won't let me. I scream and kick at Scarlett's rescuers. When they restrain my hands, I bite them - sink my teeth into their forearms, chest and legs. Where I get my strength from, I have no idea, but I am suddenly so strong, it takes nine men, including two security guards in the end, to physically restrain my body and head.

"BRADLEY!" I scream. "Don't do this to me!"

I get no response from my husband.

"Bradley!" Frustrated, I start to spit on the men.

That's when they place a lace hood over my face, a strait jacket over my body and throw me into a padded cell where no one can hear me scream. That doesn't stop me from screaming and hurling abuse. But when I start to bang my head against the door, they re-enter the room, surround me, and inject me. The last thing I see before my eyes shut is the image of my husband holding my best friend's hands. With *both* of his. *Don't do this to me, Bradley. Please don't do this to me. Please ...*

About the Author

REVIEWS:

"I am addicted to Eve Rabi's books. I'm on my tenth one right now. Great characters, great stories. Lots of twists and turns."

.

"As a bookstore owner, over the last 40 yrs I have read a minimum of 3 books a week. Take my word for it, you will never have a dull moment whilst reading any of Eve Rabi' s books!"

.

"Read her books and you won't need comments. All are superb. Different, excellent, un-put-a down -able. Eve Rabi is the lady for now and the future."

.

"I love this author. Her stories are always unique, different from the typical love stories you read. I've become so addicted to her books, that I already downloaded and read all her books in 2 weeks."

.

"Eve Rabi is becoming a firm favourite of mine. I love her modern stories, brilliantly written stories, and believable plots, bring me more."

.

"All I have to say is, if you haven't read and Eve Rabi book, you need to stop what you're doing and download one immediately! Her stories are so very different and so very twisted. There isn't always a HEA, but you go on a hell of a ride every time."

.

"I have been so impressed with this writer I have read 3 of her books in the last 48hrs. Can I say kick ass stories and kick ass heroines. Real page turners. Read it in one night."

.

Rabi is a brilliantly funny, laconic writer. Her tales are bold, and she takes no prisoners, ever."

.

"I have read all of Eve' s books and loved every one. She takes romance novels to another level, twists that you would never imagine, kick ass heroines, and all virtually impossible to put down! Love Eve Rabi!"

.

"I love your books I have bags under my eyes, haven't slept for days going through your books."

.

"One thing that I like from this author now that I have read all her books is that she takes time to develop her characters as well as develop the romance. There is no zero to 60 in 3 seconds here. Her characters are flawed and multi-dimensional."

Users Review

From reader reviews:

Lisa Knight:

Book is to be different per grade. Book for children until adult are different content. To be sure that book is very important for people. The book The Other Woman: : A Betrayed Wife takes on a Mistress with Scandalous Results (A contemporary, suspense thriller with layers of drama) was making you to know about other know-how and of course you can take more information.
