A Practical Course for Developing Writing Skills in English By J.K. Gangal

Writing in English has become an indispensable tool today. This highly practical course book shows how to develop and nurture one's writing abilities by enhancing the fundamentals of English language. The book gives lists of words to enhance vocabulary power, commonly occurring errors in English and their rectification, and foreign words used in the English language. The reader is also taught the fundamentals of creative writing through this book.

The book is intended for the undergraduate students (both regular and correspondence courses) of all universities, and higher secondary (plus 2) students of all boards. The book will also be beneficial for the students appearing for the competitive examinations and interviews as well on the general reader who wishes to improve his/her English writing skills.
