### Editorial Review

#### Review

"Austin is more than just super cute, he's super talented, too. This book will take you behind-the-scenes of his real life, so you can learn how your fave YouTuber made it big, and get inspired by his story. Plus, drool over all the adorbs personal pics of the cutie." --*Seventeen.com*

"Today is a great day to be a Mahomie...You might think you already know the story...or the gist of it, anyway. A talented guy sings a cover, gets a ton of views, and scores a record deal. But there's a whole lot more to it than that...and there's no way you're not going to be totally inspired by the time you finish the last sentence." --*TeenVogue.com*
